

**Manitoba Medical Service Foundation and
St. Boniface Hospital Albrechtsen Research Centre Present
14th Annual Richard Hoeschen Memorial Award**

Dr. Yoav Keynan has been named this year's recipient of the Richard Hoeschen Memorial Award, a \$4,000 contribution to help offset the operating expenses for the supervision of a B.Sc. (Med) student at the University of Manitoba.

The Manitoba Medical Service Foundation and the St. Boniface Hospital Albrechtsen Research Centre have each contributed \$2,000 towards this award.

Dr. Keynan is supervising B.Sc. (Med) student Ruochen Tony Mao for their project titled 'Functional Consequences of Lung Inflammation Accompanying Pneumonia among HIV Infected Individuals'.

Dr. Keynan holds appointments within the departments of Internal Medicine, Medical Microbiology and Community Health Sciences at the University of Manitoba.

Thank you to the B.Sc. Awards Selection Committee for adjudication of the candidates and to the University of Manitoba for their administrative support through the process.

For further details on Manitoba Medical Service Foundation awards please refer to the Award Recipients pages of our website at www.mmsf.ca.
