

**Manitoba Medical Service Foundation and
St. Boniface Hospital Albrechtsen Research Centre Present
15th Annual Richard Hoeschen Memorial Award**

Dr. Yoav Keynan

Dr. Yoav Keynan and Dr. Mandana Modirrousta have been named this year's recipients of the Richard Hoeschen Memorial Award. The award has been equally split, with each recipient receiving a \$2,000 contribution to help offset the operating expenses for the supervision of a B.Sc. (Med) student at the University of Manitoba.

The Manitoba Medical Service Foundation and the St. Boniface Hospital Albrechtsen Research Centre have each contributed \$2,000 towards this award.

Dr. Yoav Keynan is supervising B.Sc. (Med) student Megan Deviane for their project, "Lung Inflammation and Fibrosis Following Pneumonia Among HIV Infected Individuals." Dr. Keynan holds appointments within the departments of Internal Medicine, Medical Microbiology and Community Health Sciences at the University of Manitoba.

Dr. Mandana Modirrousta

Dr. Mandana Modirrousta is supervising B.Sc. (Med) student Hanna Stirton for their project, "The Role of Lipid Biomarkers in Treatment Response to Repetitive Transcranial Magnetic Stimulation in Major Depressive Disorder." Dr. Modirrousta is appointed through the Department of Psychiatry at the University of Manitoba.

Thank you to the B.Sc. Awards Selection Committee for adjudication of the candidates and to the University of Manitoba for their administrative support through the process.
